

Warranty

Xtracycle HiViz Lids are guaranteed to be free from manufacturing defects for one (1) year from the original date of purchase.

Defective products will be repaired or replaced at Xtracycle's discretion. To determine if a warranty claim is valid you may be required to return the product to Xtracycle for inspection. Xtracycle is not responsible for removal, installation or shipping costs. This warranty applies only to the original buyer and is not transferable.

This warranty does not cover damage from use of this product outside of its intended range or that resulting from modification or neglect. It also does not cover wear and tear resulting from the normal use of the product.

Double your warranty to two years!
Register your Xtracycle HiViz Lid within 14 days
of purchase to extend your warranty to two years.

HiViz Lid

The HiViz Lid is designed for versatility and visibility. It attaches easily when you need it and you can easily remove and store it away. Removal makes accessing your bags easier - particularly when kid seats are installed. It is water resistant, so it not only contains your load, but acts like a shingle to help protect the contents of your CargoBay from the elements. The two reflective stripes on the side increase visibility at night giving you greater peace of mind when riding after the sun goes down.

Easy Install

Step 1:

Attach HiViz Lid to bag

Pull up the flap on the CargoBay. Attach the upper loop strip on the Lid to the hook strip under the CargoBay flap.

Step 2:

Secure Lid

After installing the Lid under the flap, let it hang naturally. Press lightly over the areas along the vertical loop strips. This will secure the Lid to the bag.
